

Hi everyone,

Here are some notes regarding entering the 2019 Welsh Salon:-

1. You must enter online at <http://www.photocompentries.net/?org=WPF>
2. All **digital entries** need to be uploaded during online entry. File sizes should be a **maximum of 1600 pixels** wide and **1200 pixels** high. (Jpeg/SRGB). **NEW FILE SIZES**
3. A **digital version of any prints you are entering must be uploaded** during the online entry process. File sizes again should be a **maximum of 1600 pixels** wide and **1200 pixels** high. (Jpeg/SRGB). **NEW FILE SIZES**
4. **A note on file sizes.** If you enter smaller file sizes, they will appear smaller on screen when the digital entries are being judged. Check your file sizes carefully as Gwynfa uses a different set of sizes. The software should tell you if you have uploaded the wrong size.
5. All photograph titles should be a **maximum of 25 characters**. (In practice the website seems to allow more than this but we aren't sure of the consequences).
6. **All fees need to be paid online by PayPal.** You can pay online with a card via PayPal even if you do not have a PayPal account.
7. **At the end of the entry process an document showing all your entries will be created automatically and you'll be offered an option to print it. It's vital that you do so. A copy of it needs to go in the carrier bag if you are entering prints.**
8. **Please place your prints in a carrier bag together with your print-out and bring them to Gwynfa on Thursday February, 28th** and we will transport them to the WPF AGM on your behalf. Do not remove your prints from the carrier bag when placing them in the box.
9. If you prefer, you can personally deliver your prints to the WPF AGM on Sunday, March 3rd.

Dual Membership - The rules say that if you're a member of more than one club you may enter one section for one club and a different section for another. However, I am not entirely sure how you would do this without making multiple log-ins using different email addresses. Therefore we suggest you enter all your images under the Gwynfa name :-)

Entry deadline - if you are bringing you prints to Gwynfa on March 1st, you will need to enter online on or before that date. If you are delivering your prints to the WPF AGM on Sunday March 3rd you can enter any time before delivery.

The **conditions of entry** can be found **HERE**. **Please read them carefully.**

I encourage you all to have a go at entering the 2018 Welsh Salon as Gwynfa has a rich history of acceptances and awards.

If you have any questions, please feel free to email me or phone me.
